Atlanta Contemporary Jewelry Show Announces 2011 Dates *The Country's Finest Jewelry Artists Gather in Atlanta to Show their Work*

ATLANTA – (July 15, 2011) - The Atlanta Contemporary Jewelry show announces the dates for its fifth annual show and sale. November 4th and 5th mark the dates that 27 world renown jewelry artists will converge in Atlanta for a one-of-a-kind exhibition and sale.

Each attending artist presents their own distinctive, award winning work. Curators and show organizers Debra Lynn Gold and Leigh Griffin say, "We are continually searching for the best of the best among the country's most accomplished contemporary jewelry artists. This year's show promises to be the most exciting one yet, showcasing a range of materials and styles of entirely artist made jewelry. The pieces range from fun and fanciful to museum quality collectible. The artists themselves hail from eighteen states, from Massachusetts to California. Each artist enjoys a national if not international reputation. We couldn't ask for a more exciting group of artists. And the artists love coming to this show because the Atlanta audience is such an appreciative one."

The show takes place Friday, November 4th from 10 a.m. to 9 p.m. and Saturday, November 5th from 10 a.m. to 6 p.m. at the DeFoor Centre in Midtown Atlanta. Friday evening admission includes the much anticipated Meet the Artists wine reception from 6 p.m. to 9 p.m., co-hosted again this year by Spruill Center for the Arts.

Tickets are available at the door for \$7. The DeFoor Centre is located at 1710 DeFoor Ave. NW Atlanta, 30318. More information can be found at www.atlantacontemporaryjewelryshow.com.

About The Atlanta Contemporary Jewelry Show

The Atlanta Contemporary Jewelry Show (www.atlantacontemporaryjewelryshow.com) is an exhibition of the country's most highly regarded jewelry artists. The event offers the public an opportunity to meet these artists, as well as view and purchase pieces entirely handcrafted by the artists in a range of materials, styles and prices.
